To whom it may concern,

I am emailing to ask you to please keep the early years centres open. My family have been attending early years centres for years. They are vital to our family and community.

Subject: Early on centre

Hi,
my name is Jenny. [REDACTED] the earlyOn centre at Shirley street. It has been such an important part of our lives. We love our parent worker linda and the relationships we have built among the families. Please make sure that funding for centres that support families, children and the community remain available to allow them to stay open.
If you have any questions, please do not hesitate to contact me.

Thanks,

Jenny Li
