Policy P.031 EMP: Human Rights

- ~~• equity, innovation, accountability and accessibility;~~
- ~~• learning environments that are safe, nurturing, positive and respectful.~~

~~1.0~~

~~The Toronto District School Board is committed to meeting its obligation under the Canadian Charter of Rights and Freedoms and the Ontario Human Rights Code by providing safe schools and workplaces that respect the rights of every individual. Every student, employee, trustee, parent and community member has the right to learn and work in an environment free of discrimination and harassment. Discrimination and harassment based on legislated prohibited grounds will not be tolerated. Such behaviour must be addressed not only for its cost in individual, human terms but also for its cost to our social, economic and civic future.~~

~~The purpose of this policy is to prevent discrimination and harassment through greater awareness of and responsiveness to their deleterious effects and to ensure that human rights complaints are dealt with expeditiously and effectively through consistently applied policy and procedures. Nothing in this policy or procedures denies or limits access to other avenues of redress open under the law such as a complaint to the Ontario Human Rights Commission or a grievance.~~

~~The Toronto District School Board is committed to ensuring that education on human rights issues is provided for all staff and students.~~

Policy Components

1. ~~Legislative Context~~

1.1. ~~Canadian Charter of Rights and Freedoms~~

~~The Constitution Act [1982], which includes the Canadian Charter of Rights and Freedoms, is the supreme law of Canada. As such, all other laws and applicable workings of governments, including school boards, must be consistent with its provisions. The charter and Supreme Court of Canada decisions made under the charter guarantee everyone equality regardless of race, national or ethnic origin, citizenship, colour, religion, marital status, sex, sexual orientation, age or mental or physical disability. The charter and Supreme Court decisions also promote the development of programs which are designed to redress the conditions of disadvantaged individuals or groups.~~

1.2. ~~Ontario Human Rights Code~~

~~The provisions of the Ontario Human Rights Code apply to private parties and provincial public institutions. The code exists to prevent discrimination and harassment and, through its special program provisions, to foster proactive steps to promote human rights. Human rights law prohibits the creation and/or fostering of negative or poisoned environments that threaten basic human rights.~~

2. ~~To ("TDSB") acknowledges and seeks to dismantle~~Whom Does This Policy Apply?

~~This policy applies to all Toronto District School Board students, employees, trustees and other users such as members of consultative committees, clients of the Board, parents, volunteers, permit holders, contractors, and employees of organizations not related to the Board but who nevertheless work on or are invited onto Board premises. This policy also covers discrimination and harassment by such persons which occur outside the study/work place, and which are proven to have repercussions that adversely affect the Board's learning/working environment.~~

3. ~~Duties and Responsibilities~~

~~A school board has a duty to maintain an environment respectful of human rights and free of discrimination and harassment for all persons served by it. It must be ever vigilant of anything that might interfere with this duty. In fostering this environment, the Board expects that everyone will:~~

~~unwelcome. Sexual harassment is a particular form of harassment. It can take the form of a sexual advance, request for sexual favours or sexual flirtation or banter made by any person, including a person in a position of authority – of overlooking, downplaying, accepting and/or failing to respond to discriminatory behaviour, to grant, confer or deny a benefit, privilege, or advancement, where the person engaging in such conduct knows, or ought reasonably to know, that it is unwelcome. Sexual attention by an employee toward a student is unacceptable under any circumstances and shall constitute a violation of this policy~~

Directing Minds means employees with supervisory authority who function, or are seen ~~Failure to function~~, as representatives of an organization. Harassment means a course of vexatious comment or conduct in a TDSB environment, based on a protected ground, which is known, or ought reasonably to be known, to be unwelcome, and includes sexual harassment. Harassment is a form of discrimination. It is usually the result of a series of incidents (“a course” of comment or conduct) but may also result from one very serious incident. Hate group activities represent some of the most destructive forms of human rights-based discrimination by promoting hatred against identifiable groups of people. Hate groups generally label and disparage people who may include immigrants, people with disabilities, members of particular racial, religious or cultural groups, people who are gay or lesbian. Hate group activities will not be tolerated. Such activities contravene this policy, and other potential board policies related to school safety and may also contravene the Criminal Code of Canada.

6. Complaints

All those who are covered by this policy are entitled and encouraged to complain about discrimination and harassment and are entitled to have access to the complaint procedures. In addition, nothing in these procedures precludes individuals who believe they are targets of (or have witnessed) discrimination and harassment from directly expressing that the behaviour is inappropriate and must stop immediately. Many complaints can be resolved quickly and effectively using this approach. In order to stop discrimination and harassment, supervisory and managerial personnel must expeditiously address and attempt to resolve complaints under this policy and procedures.
